Roach Ag Marketing, Ltd

Privacy Policy Notice 1-1-12

We, at Roach Ag Marketing, Ltd. value our customer relationships, and appreciate the trust that our customers have placed in us. As part of this relationship and to provide you with financial products and services to meet your needs, customers routinely give us private information.

We pledge to protect that information and ensure that it remains private. The following information in this notice summarizes the categories of information that we collect, how that information is handled, and how we protect customer information:

We collect nonpublic personal information about customers from the following sources:

- Information we receive on applications or other forms;
- Information about customer transactions with us, our affiliates, or others; and
- Information we receive from a consumer reporting agency.

We do not disclose any nonpublic personal information about our customers or our former customers to anyone, except as permitted by law.

We may disclose all of the information we collect, as described above, to companies that perform services on our behalf or to other financial institutions with whom we have execution agreements.

We restrict access to nonpublic personal information about customers to those employees who need to know that information to provide products or services to our customers. In addition we employ physical and electronic safeguards to protect customer information and records.

Additional Privacy notices may be sent from time to time directly to customers by our various operating entities.

If you have any questions or comments about our Privacy Notice, please contact our Compliance Officer at telephone number (561) 994-9394, email us at jroach@roachag.com or write us at Roach Ag Marketing, 7601 N. Federal Hwy, Suite 265-B, Boca Raton, FL 33487

Security Policy

Your payment and personal information is always safe. Our Secure Sockets Layer (SSL) software is the industry standard and among the best software available today for secure commerce transactions. It encrypts all of your personal information, including credit card number, name, and address, so that it cannot be read over the internet.
